

**ASSEMBLY BILL**

**No. 376**

**Introduced by Assembly Member Mountjoy**

February 11, 2005

---

An act to add Section 148.8 to the Penal Code, relating to false reports.

LEGISLATIVE COUNSEL'S DIGEST

AB 376, as introduced, Mountjoy. Amber alerts.

Existing law requires the activation of the Emergency Alert System if an abduction has been reported to law enforcement that a child 17 years of age or younger or a person with a physical or mental disability has been abducted and it is determined that he or she is in imminent danger of serious bodily injury or death, as specified. Existing law also provides that any individual who reports to a peace officer or district attorney that a felony or misdemeanor has been committed knowing that report is false is punishable by a fine not exceeding \$1,000, imprisonment in a county jail, or by both that imprisonment and fine.

This bill would provide that any person who reports to a law enforcement agency that an abduction has occurred, with the intent that the report results in the activation of the Emergency Report System, knowing that the report is false, is punishable by a fine not exceeding \$1,000, imprisonment in a county jail, or by both that imprisonment and fine.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

1 SECTION 1. Section 148.8 is added to the Penal Code, to  
2 read:  
3 148.8. In addition to any other punishment provided by law,  
4 any person who reports, or causes a report to be made to a law  
5 enforcement agency that an abduction has occurred, with the  
6 intent that the report results in the activation of the Emergency  
7 Report System pursuant to Section 8594 of the Government  
8 Code, knowing that the report is false, is punishable by a fine not  
9 exceeding one thousand dollars (\$1,000), imprisonment in a  
10 county jail for a period not exceeding one year, or by both that  
11 fine and imprisonment.  
12 SEC. 2. No reimbursement is required by this act pursuant to  
13 Section 6 of Article XIII B of the California Constitution because  
14 the only costs that may be incurred by a local agency or school  
15 district will be incurred because this act creates a new crime or  
16 infraction, eliminates a crime or infraction, or changes the  
17 penalty for a crime or infraction, within the meaning of Section  
18 17556 of the Government Code, or changes the definition of a  
19 crime within the meaning of Section 6 of Article XIII B of the  
20 California Constitution.
